Oakland Community College Highland Lakes Campus

2007 to Present

- Tutor for Microsoft Office, Javascript, Adobe: Dreamweaver, Fireworks, Photoshop, Illustrator, AfterEffects, EncoreDVD, PremierePro, Flash. I took off seven weeks to complete my Multimedia Internship with Ranal Inc. (below), and have returned to my tutoring position. In addition, I am occasionally called on to be a PASS/ACCESS tutor for deaf and disabled students, or students with reading disabilities.

Internship; RANAL Inc.

October – December, 2007

Multimedia Internship for seven weeks at Ranal Inc.; Worked on redesigning/reshaping of a medical billing software package called “ModuleMD”. ModuleMD is a comprehensive billing software package that contains separate user roles, each with a series of custom graphical user interfaces which needed redesigning and updating, and to make more user-friendly and more appealing to the eye. It was a contracted position for the Internship and was over at end of term.

PRACTICAL EXPERIENCE

- A former three-time President (elected) of a non-profit organization, the Lakeland Players. Responsible for overseeing operations (Project Management), as well as the group’s overall image and membership, while running the organization’s Board Meetings within the group’s charter outline. Designed, implemented, and marketed licensed merchandise for the group. In addition, elected to Lakeland Players Board Member “at-large” for five years, which included responsibilities as Program Editor, Newsletter Writer, Social Chairman, and Building Fund Chairman.
- Designed and implemented graphic designs for other community organizations, including marketed merchandise, order forms, and accounting for several projects (Lakeland Players, The Festival Singers).
- Church Deacon (one year), plus Leader of the Deacon group (two years). As an elected Deacon Moderator, responsibilities included running effective meetings with a purposeful outcome to benefit members of the community.

EDUCATION

College
